

September 2023

Notice of availability-
Important Policies Including the 2022 Annual Security Report and
Additional Disclosures

To all Southeastern College prospective employees:

The U.S. Department of Education, under the Higher Education Opportunity Act of 2008 (HEOA) and other federal statutes, requires that the institution notifies annually all prospective employees on policies and procedures addressing student safety and security on campus, crime statistics and institutional security policies.

A link to the Annual Security Report (ASR) containing these details and other important information on Clery Act reporting, Title IX information, and Violence Against Women Act (VAWA) Information, among other topics can be found at:

Southeastern College-

Website: <https://www.sec.edu/pdf/sec-asr.pdf>

The institution will provide a paper copy of this information upon request.

Respectfully,

Oren Alter
Associate Vice Chancellor of Crisis Management
