PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This disclosure is strictly limited to Southeastern College (SEC) determination of whether the **Diploma, Associate of Science/Associate of Applied Science Business Administration** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined as 34 C.F.R. § 600.2.

SEC’s Diploma and AS/AAS Business Administration meets the educational degree completion requirements for licensure in Florida, South Carolina and in the designated states below. In the State of Florida, a Diploma or Associate of Science degree will be awarded upon successful completion of the program. In the state of South Carolina, an Associate in Applied Science Degree will be awarded upon successful completion of the program.

NOTE: This disclosure does not provide any guarantee that any state or national licensing entity will approve or deny your application for certification or professional licensure. Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure or occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, SEC has determined that the Program satisfies State educational requirements as follows:
