

PROFESSIONAL LICENSURE DISCLOSURE

Southeastern College – Diploma, Medical Billing and Coding Specialist

Degree Title (Concentration)	Level
Medical Billing and Coding Specialist	Diploma

PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This Disclosure is strictly limited to Southeastern College (SEC) determination of whether the **Diploma in Medical Billing and Coding Specialist** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined by 34 C.F.R. § 600.2.

SEC’s Diploma in Medical Billing and Coding Specialist program meets the educational degree completion requirements for certification in the state of Florida as a Certified Professional Coder and the designated states below. Students who have successfully met all educational and institutional requirements for a Diploma in Medical Billing and Coding Specialist from Southeastern College are eligible to have their names submitted to the National Health Career Association to be considered as a candidate for the Certified Billing and Coding Specialist (CBCS) examination.

NOTE: This disclosure does not provide any guarantee that any one state licensure entity will approve or deny application for certification or professional licensure. Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure that may occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, SEC has determined whether the program satisfies state educational requirements for licensure as follows (No States require licensing or certification for employment in this profession):

State licensure certification requirements vary from state to state, depending on each state's laws and regulations. The state licensure entities oversee educational and non-educational requirements for licensure or certification for their state.

All enrolled students and prospective students are encouraged to contact their applicable state licensure entities to familiarize themselves with the specific professional licensure or certification requirements. For information on how to contact state licensure entities, please visit the U.S. Department of Education State Contacts webpage at: <https://www2.ed.gov/about/contacts/state/index.html?src=contact-us>

Further, certification information can be obtained through the American Association of Professional Coders contact webpage at: <https://www.aapc.com/certifications>
